Monthly Publication from the Zephyrhills Historical Association

Volume 24 – Number 2

February 2022

There will be NO meeting in March.

An executive decision was made to have no meeting in March. I'm not convinced that things have improved ENOUGH in Pasco County to feel completely safe. I am optimistic, however, that we may be able to resume monthly meetings starting April 5th. Patty and I discussed our fundraisers and decided to go ahead and resume those starting March 15th. Please forgive me for my late notice on this and for not sending out a mailed version of this newsletter. Motivation has been somewhat lacking on my part recently. We'll see how it goes when we return to normal. Thanks for understanding.

Just in case some of you still need to renew your membership or make contributions, I am leaving Andy's address here for your convenience.

Tuckertown

TUCKER CEMETERY. From Dade City travel south about 5 miles on CR-35A (Old Lakeland Hwy) from its intersection with the US 98/301 Bypass around Dade City. CR-35A turns left (East) across the railroad tracks, and the cemetery is readily recognizable on the left (north) side of 35A about a mile from the RR crossing, just before a curve.
